From Which One by One Trains are Emerging.

A St. Paul and Cmaha Train Stuck for Seven Days. The Ludierous Side of Raulroad

The railroads are still running a lit-

cally open. The regular trains between Omahs and Lincoln are running on time except that the south bound train from Omaha to-day was still lying here at noon waiting for the arrival of the C., B. & Q. The Lincoln Journal of Friday gave the situation of the condition of the con Journal of Friday gave the situation

M., which has been lying at Hastings snow-bound since Friday, arrived last night at 9:30. The big drifts in the vicinity of Pleasant Dale and Milford, on the L. & N. division of the B. & M., were opened SON'S, and get the latest styles. You last night, and the train proceeded are sure to find them there in large northward. The train-men expect to variety. find more snow banks, almost as great as those at Mulford, between Ulysses and the Platte river. The two engines and snow plow that left this city Wednesday morning to work

Nebraska reilway bank at Cheney just at dark night. They took a rest and make another push for the next bank east of Chency early this morning. Two ergines and a snow plow left Nebraska City Wednesday morning, and last night were reported at Arlington with a mountain of snow in front of The Problem Which Needs an them. They will endeavor to get through it to-day. The only snow

the Midland east and the A. & N.

Wabash an hour and forty minutes, the Northwestern forty minutes and the St. Joe on time. ST. PAUL AND OMAHA.

A train from Tekamah arrived here last evening at 5 o'clock over the Nebracks division of the St. Paul and Omaha road. Superintendent House is working at the big cut west of Tekamah and expected to get engine No. 1 out of the snow bank at nine o'clock, where it has been snowed up since last Thursday. Passenger and freight trains are now being run between Omaha and Tekamah.

FOR SEVEN DAYS. A special dispatch received in this sity this aftersoon from Oskland states that train No. 1, on the Chicago, St. Paul & Omaha road, in charge of Charles Wickwire, which has been snowed in, in the large cut near Oakland since Briday last, ar rived at Oakland at 10:45 a. m. today. All hands were safe and sound. Wickwire stood bravely at his post

pluck and endurance. MISTOOK THE SIGNAL. A well known engineer of the C. P. who has a slight impediment in his speech, had an interview a few The Treatment 'Accorded days since with his division superinendent, the nature of which gradually leaked out and because a source of naiderable fun for the boys. The story goes that on a recent run his en-

question. By a rule of the railroad dilated upon by our neighbors: company such accidents must be reported by the engineer and conductor in writing and for some reason the engineer forgot his duty on this occa-

dent. "How is it that you failed to report the killing of a cow on your run of such a date?"

"I d-d-d d-don't remember app su-s-s-s such accident," replied the knight of the foot-board, scratching his head thoughtfally.

"Well, you certainly must have killed cow on that run, for it was reported in due form by the conduc-

an hour to put on a new pair of who had ravolver, guns and conwheels. Here, during the delay,
Mr. Goodwin, who is the bridegroom siluded to, got out to kick up his heels and look around, and while he was to shoot me if I made any fuss. After absorbing the beauties of nature and the trial we were handcuffed together that doesn't wait for time or the that my wife be allowed to go underly rolled out, leaving my request. This morning was a morning to the theory refused to grant my request. Mr. Goodman, and bearing away his bride. Then there was consternation in Sidney and on board the Pullman. The bride was in a state bordering on distraction because of her lost

tle out of time but are in comparative- catch the retreating train. As he and the bride were one, it was a very clear was left behind." It was fun to every-body else except the two most deeply interested. Failing to catch the train on foot he clambered into the cab of a locomotive which happened to be puf-fing about the place, and earnestly so-licited help. The engineer, a tenderhearted man with a tender, saw how it was, and proceeded to obtain prop-er authority as quickly as possible, and started with Mr. Goodwin on a

stern chase after the flying train, that was trying to make up an hour of lost time, and which was proud of pursuing husband overtook the heartbrand new wife, and soon they were bloomingly happy again in each oth

FRITSCH'S PRUSSIAN THE LATEST

VICTORY OF MEDICAL SCIENCE. The only existing remedy for every spe cles of Acute or Chronic Disease of the Organs of Respiration,

SPECIFIC FOR CONSUMPTION THIS all-powerful vegetable preparation expels from the lungs and air passages, the mucus and muco-pus produced by primonary inflammation, heals the irritated membranes, and renovates every organ which utilizes the breath of Life. It contains no stupefying poison, and is in all respects a healthful medicine. The rapidity and certainty with

ANNIHILATES A COUGH BATTLING FOR LIFE

with the most terrible scourge of our eli-mate will find Fritsch's Pruestan Cough Syrup a potent ally, and will assuredly win the fight by adhering strictly to this great medicine. The CASES NOW ON RECORD **FIVE THOUSAND**

Remedies hitherto Introduced is that they are simply expulsory. Hence they are useless; for unless the causes of the acrid secretions which are coughed up are removed, and the ruptured, inflamed or maturated surfaces healed and restored to their natural tone, a cure is impossible. Fritschis Prussian Cough Syrup accomplishes these objects. The mucus and muco-pus which are the consequence of Lung Disease, are thrown off by it, while at the same time it soothes and invigorates the weekened tissues.

"LIFE FOR THE LUNGS." For coughs, colds, influenza, bronchia difficulties, tightness of the chest, hoarse ness, sore throat, trachitis, inflamma tion of the lungs, difficulty of breathing pleurisy and all disorders of a pulmonar, nature, it has never been equaled.
